

COCKTAILS

Our cocktail list has been carefully crafted to present a variety of unique flavour profiles. With a focus on creativity, balance, and collaboration, each libation is a reflection of our team's efforts to bring you the essence of DOSC in a glass.
Sip, savor, imbibe.

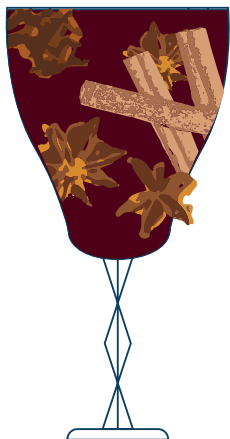

Through the Looking Glass | 19 • 3oz

Although clear in appearance, this cocktail's flavour profile defies expectations. Notes of herbs, olives, and black pepper shine through this balanced cocktail. "I'm not strange, weird, off, nor crazy, my reality is just different from yours", something you can only experience, Through the Looking Glass.

Gin, sotol, vermouth, black pepper, mint, dill.

Adventurous, smoky, herbaceous.

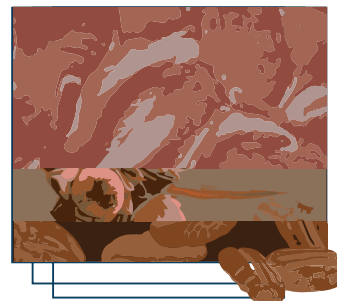

Vin Chaud | 15 • 5oz

The DOSC take on the traditional French mulled wine. Sipping on this warm cocktail I am taken back to European Christmas markets and jovial gatherings with loved ones. May this drink fill you with the joy of the season.

Red wine, brandy, cinnamon, anise, clove, cardamom, demerara.

Cozy, aromatic, festive.

Father Figure | 18 • 2oz

Inspired by a picture perfect cozy winter night. Having warm pecan pie fresh out of the oven, snow falling outside the window, sitting by the fire drinking that brown liquor. Leave it to "Father Figure" to warm your soul with its rich buttery flavour.

Brown butter fat washed rye, cognac, cymar, pecan orgeat, bitters.

Nutty, silky, bittersweet.

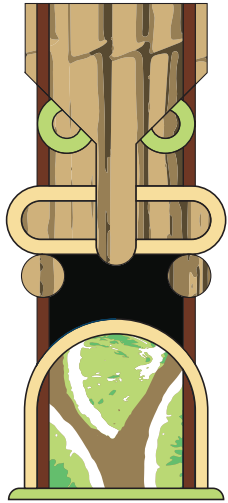

Tokyo Drift | 21 • 3oz

Drifting through Shibuya in go-karts, sipping whisky at the Suntory distillery, and chasing nights that felt endless. Toki Drift brings a taste of that trip home. Smooth, roasted, and a little bittersweet, just like the memories.

Hojicha infused Japanese whisky, sweet vermouth, cymar, all spice, gomme demerara, bitters.

Earthy, balanced, sentimental.

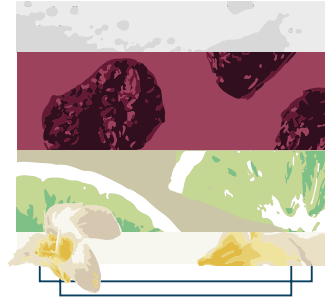

Rum 'n' Bass | 18 • 2.25oz

I named the cocktail after one of my favorite EDM genres: Drum 'n' Bass. This cocktail represents the punchy, bouncy, and in your face nature of the genre. With an exciting rum blend that simultaneously is dynamic and classic, this drink is where lasers meet the sandy beach.

Three rum blend, amaro, molasses, lime, bitters.

Toasted, humble, strong.

Clara's Locket | 18 • 2.5oz

The prominent ingredient of this drink is a simple snack I would find at my grandma's house: Huamei. They always reminded me of sugar plums with its vanilla sweet but tart nature. This led me to name this drink "Clara's Locket" based on the sugar plum princess in Barbie in the Nutcracker, a beloved movie during the holiday season in my childhood.

Preserved plum infused tequila. citrus liqueur, plum wine, OEB egg whites, vanilla lime.

Lucious, tart, sugared.

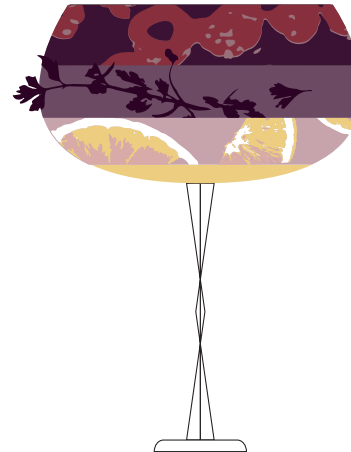

Scarlet Moon | 17 • 2oz

Scarlet moon is a bright cup of sunshine to cure the winter blues. It was inspired by two things: my favourite cake flavour and my favourite drink garnish. Blood orange and cardamom cake has been a favourite of mine since I started baking. I also love to eat citrus fruit with bruleed sugar, and wanted this combo to crown the drink.

Blood orange gin, benedictine, orange, lemon, honey, cardamom.

Acidic, beaming, comforting.

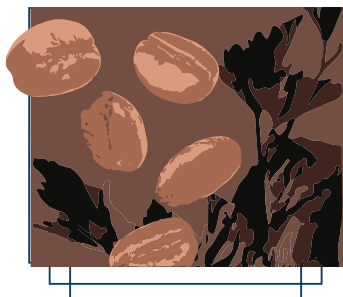

Miss Independent | 17 • 3oz

"Miss Independent, won't you come and spend a little time?" A drink inspired by my love, Amy-Minder. Made to honour her industriousness and big heart, with a nod to ambrosial amaros that we fell in love with on our travels.

Berry infused vodka, amaro, violette, lemon, gomme.

Tart, juicy, misbehaved.

Caffe Zero | 13

The dream of sitting in an Italian street side cafe sipping espresso and aperitifs keeps me going through the winter months. With this zero proof mocktail, everyone can wish upon that same dream as you imbibe on the mix of roasted coffee and herbal bitterness. A slow-sipping flavor without the heaviness of alcohol.

Non alcoholic Italian bitter, coffee liqueur, sweet vermouth, soda.

Bitter, smooth, effervescent.

All Inclusive | 9

Sipping on drink after drink on holiday, this drink was inspired by flavours you might find in popular cocktails to lounge poolside with. As a mocktail, it is “all inclusive” for anyone to enjoy as they feel transported to an all inclusive resort.

Black tea, pineapple, lime, vanilla.
Add 2oz sherry | +\$5

Tropical, quenching, cheerful.

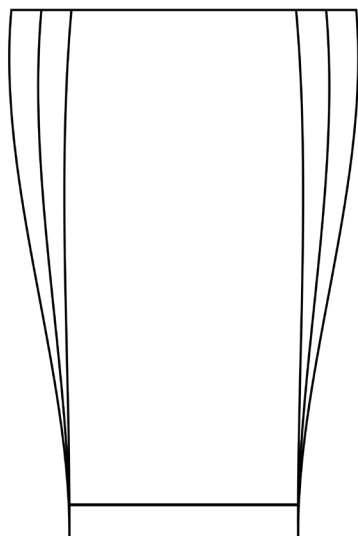

Golden Hour | 11

The Golden Hour gives a bright twist to one of my favourite nonalcoholic beverages: Horchata. A common rice milk based drink across Middle and South America that reminds me of summer sun but with a winter spice that gives you a warm hug in the chilly weather.

Jasmine rice horchata, cinnamon, peach, condensed milk, evaporated milk.
Add 2oz Rum | +\$5

Rich, velvety, spiced.
