

MADE BY WOMEN

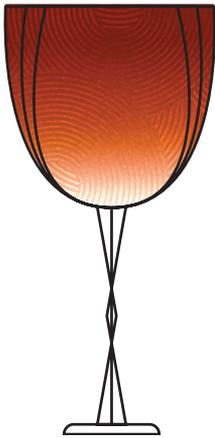

Each year for International Women's Day, we partner with Wings of Providence, a second stage shelter that aids women, children, and non-binary individuals fleeing violence and domestic abuse.

\$1 from each cocktail sold will be donated to WINGS in support of their vital work.

Tiger Mom | 19 • 2.5oz

The Tiger Mom is a tribute to my mom, and the universal love language of food. To all the moms out there who may be strict but always show their love and care in one way or another. The rye infusion is inspired by the Chinese medicinal ingredients my mom often fed me growing up, because our health and wellbeing is always their top priority.

Date and goji berry rye, sweet vermouth, orange oleo, bitters.

Rich | Tannic | Tangy

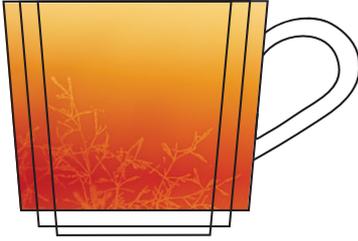

White Widow | 18 • 3oz

Inspired by the resilience of women and the widow spider species who are excellent weavers. Throughout history, handcrafts have been associated with being women's work and have often been undervalued. Historically when someone was widowed, they would have to find another means of survival. This was often through handcrafts that gave women an option for independence in a system set up for them to be reliant on the men in their lives.

Cachaça, dry curaçao, rhubarb liqueur, sambuca, rhubarb tincture, star anise, lime, absinthe.

Tart | Fruity | Medicinal

Spill the Tea | 21 • 3oz

Dedicated to the queer women and nonbinary baristas in my life, Spill the Tea is an homage to your local café as a third space. Whether it's the flat white that saves your life on Sunday morning, a london fog and a cozy couch for your journaling, or hours spent gossiping with friends over dirty chais, the café (and your local they/ them barista) will always have your back.

Oak gin, Italian bitter liqueur, aperitivo bianco, london fog.

Spiced | Cozy | Bitter

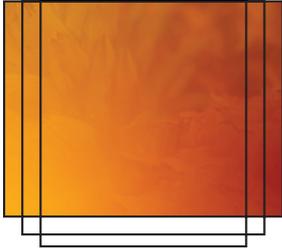

Healing Touch | 19 • 2oz

Crafted with feminine healers in mind & heart, this drink was intended to be complex, bold & balanced while possessing qualities great for one's wellbeing. As with my female role models, The Healing Touch is here to provide a strong essence swirled within an approachable presence. Women teach us that there is great tenacity beyond the gentle surface.

Reposado tequila, pimento dram, blueberry, balsamic, thyme, bitters.

Adventurous | Sharp | Bold

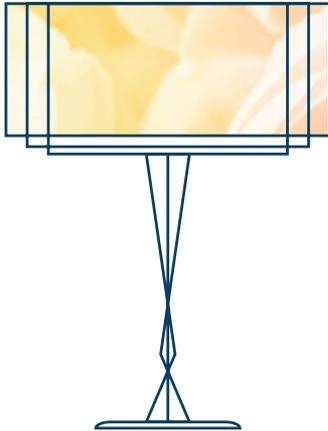

Against the Grain | 18 • 2.25oz

Too loud? Too stubborn? Too masculine? Too bad! This cocktail is dedicated to the unapologetic, kickass women who go Against the Grain every day by defying convention. This old fashioned riff is a ride; she's smoky, hot, and bitter, but also rewardingly sweet. She shouldn't work, but she absolutely does.

Lowland scotch, Islay scotch, Cynar, pineapple liqueur, charred pineapple, bitters, black pepper tincture.

Unexpected | Juicy | Fire-grilled

Blush Bomb | 20 • 2.25oz

In celebration of girlhood across all ages. From running around the backyard playing make-believe to having blush blindness when trying on makeup for the first time to sipping drinks in our high heels at the cocktail bars. This flip style cocktail evokes the playfulness and whimsy of girlhood with its unique and feminine flavours.

Gin, clairin, Meletti, strawberry, bitters, saline, whole egg.

Velvety | Herbaceous | Sweet

Calypso | 18 • 2.5oz

Calypso is inspired by the women we can share our passions with. Getting ready in the dressing room before opening night of “The Odyssey” together. Sharing a love of travel and meticulously planning your next beach get-a-away with the girlies. Crafting a new cocktail side by side with a friend. This drink is an ode to our female friendships and the things we love to do together.

Pisco, grappa, blue curaçao, orgeat, lime, pineapple, coconut milk.

Creamy | Tropical | Aromatic

Slow Burn | 19 • 3oz

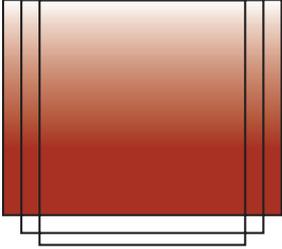

Inspired by mountain trips with the girls! Cold air, early morning chairlifts, and ending the day by the fire with boots off and s'mores in hand. For Women's Month, it's a nod to strength, resilience, and the quiet way we always show up for each other. Because what happens by the fire... stays by the fire.

Jamaican rum blend, Montenegro, Delavoye cacao liqueur, vanilla, lemon, bitters, graham cracker milk.

Mocktails

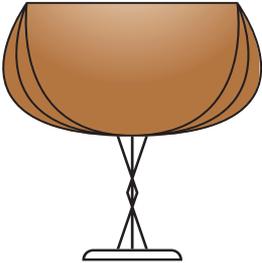

Caffe Zero | 13

The dream of sitting in an Italian street side cafe sipping espresso and aperitifs keeps me going through the winter months. With this zero proof mocktail, everyone can wish upon that same dream as you imbibe on the mix of roasted coffee and herbal bitterness. A slow-sipping flavor without the heaviness of alcohol.

Non alcoholic Italian bitter, coffee liqueur, sweet vermouth, soda.

Bitter | Smooth | Effervescent

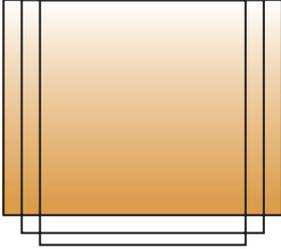

All Inclusive | 9

Sipping on drink after drink on holiday, this drink was inspired by flavours you might find in popular cocktails to lounge poolside with. As a mocktail, it is “all inclusive” for anyone to enjoy as they feel transported to an all inclusive resort.

Black tea, pineapple, lime, vanilla.
Add 2oz sherry | +\$5

Tropical | Quenching | Cheerful

Golden Hour | 11

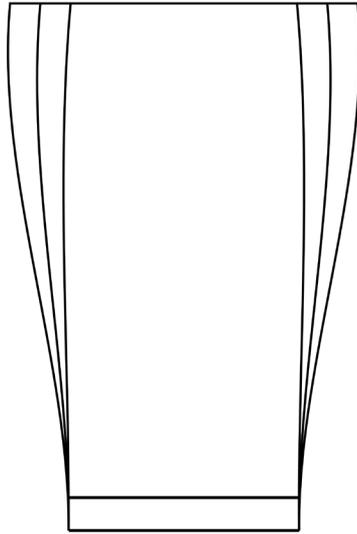

The Golden Hour gives a bright twist to one of my favourite nonalcoholic beverages: Horchata. A common rice milk based drink across Middle and South America that reminds me of summer sun but with a winter spice that gives you a warm hug in the chilly weather.

Jasmine rice horchata, cinnamon, peach, condensed milk, evaporated milk.

Add 2oz Rum | +\$5
